

## Check In: Outcome 1

"8 Characteristics of Life"

- On a piece of looseleaf answer the following question:
  1. Using the 8 characteristics provided, explain why a dog is considered living.  
**\*Remember I am not asking you to list the 8 characteristics, but rather use them to explain the proof why the dog is living.\*\***

**Example: The dog is a multicellular organism proving it is composed of more than 1 cells.**
