

JE # __: A Trip to Mars?

Listen to the CBC discussion on "How We Will Live on Mars" by using the link provided:

1. Would you be willing to be a volunteer to be a participant in the trip to Mars? Explain why or why not.
2. Do you believe living on Mars will eventually be the only option for our human race to survive? Explain.
3. Are you a skeptic to this or are you open to what this will bring and believe it is very possible? Explain.
