

JE # : What Good is a Rock?

- Read page 132 in the textbook.

- Answer the following questions:

1. Rocks have been used throughout history for many different reasons. Create the table below and make a list of all the ways you can think rocks have been used in the past and a list of how you see rocks being used today.

Uses of Rocks in the PAST	Uses of Rocks TODAY

2. Are they similar or different? Explain.

3. Today we see rocks being replaced with other materials, what are some of these materials, and why do you think they are used instead?
