

Station #1: The Microscope

Diagram Sheet: The Microscope (Outcome #6)

Biology 11

Name: _____

1. Using the textbook on pages 1070 & 1071 label the diagram by stating each part. Although necessary information to be able to use the microscope effectively, this information will only be tested on an **extension level** (will be seen on the unit 1 extension test at the end of the semester). Add this work to your notes.

Indicate the name of the part here:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

2. Define what the following objects are used for on the microscope.

a) Stage =

b) Fine adjustment knob =

c) coarse adjustment knob =

d) diaphragm =

e) objectives =
